

Chabad @ Flamingo ~ The Family Shul Commitment to Torah Study Questionnaire

We are doing a study today on your thoughts, feelings and attitudes towards studying Torah and would like to ask you a few questions please. The following survey includes multiple choice questions to determine the potential student's preferences. The answers will, please G-d, be used to develop a learning program that best suits the needs and educational level of the majority of the respondents, yet trying to ensure that there will be something for everyone. We are not trying to sell you anything; we are simply asking your opinions so that we can gain knowledge to better serve you!
